PUTTING IT ALL IN REACH

The Beauvoir Fund

All In Reach for the Beauvoir Community

Dear Friends,

The importance of the Beauvoir Fund is paramount, especially in such a unique year. Your unrestricted support helps provide the roof above our heads and our connections in the Cloud, enhancing both our physical and virtual classrooms. Our mutual commitment to provide an extraordinary early childhood education for every student, no matter the circumstance or distance, has not wavered and endures in strength thanks to the individuals who play a role in our community through their philanthropic participation.

Sincerely,

Cindi Gibbs-Wilborn

**Cindi Gibbs-Wilborn
Head of School**

“Our community bond is one of Beauvoir’s strongest assets. We are appreciative of your generosity at all times, but particularly this year. Our doors are open and our children are thriving in no small part because of you.”

—Alice Leiter ('89) and Lindsay Ellenbogen
Co-chairs, The Beauvoir Fund

What’s In Reach for the Beauvoir Community Today?

ACADEMIC ENGAGEMENT

With the support of the entire Beauvoir community, we have created an exceptional learning environment during a global pandemic.

COURAGE

Our teachers have embodied courage in creating an all-new learning environment, as have our families in navigating remote learning.

POSITIVITY

The halls of Beauvoir have remained a bright and cheerful respite for children, reminding everyone that this difficult time will not be our forever future.

CREATIVITY

From bungalows to virtual first-grade dance parties, Beauvoir has brought extraordinary ideas to life, keeping students engaged.

SPIRIT

Beauvoir’s enduring spirit has allowed us to trust that the school will keep our children safe and that their childhoods will not be interrupted.

PERSEVERANCE

Whether it’s through chapter books or lesson plans, Beauvoir teachers and families have persevered to create an atmosphere for children to thrive.
